

10

The image displays the number '10' in a large, bold, black font. Red arrows are placed around the number to indicate the correct stroke order for writing. For the digit '1', three arrows point downwards: one on the left slanted stroke, one on the top horizontal bar, and one on the vertical stem. For the digit '0', three arrows point counter-clockwise along the top curve of the oval, starting from the right side and moving towards the left.
